

Adapters for Smart Radiator Thermostats of Bosch

Adapter for radiator valves Herz, Comap a.o. M28 x 1,5 mm (plastic)

[EAN 4047976760305](#)

With this adapter, you can also mount Smart Radiator Thermostats of Bosch with M30x1.5 connection thread to the M28x1.5 valve of your radiator.

Adapter for radiator valves Rossweiner M33 x 2,0 mm (brass)

[EAN 4260012710502](#)

With this adapter, you can also mount Smart Radiator Thermostats of Bosch with M30x1.5 connection thread to the special valve of your radiator with M33x2.0 connection thread.

Adapter for radiator valves Ista M32 x 1,0 mm (brass)

[EAN 4024052562411](#)

With this adapter, you can also mount Smart Radiator Thermostats of Bosch with M30x1.5 connection thread to the special valve of your radiator with M32x1.0 connection thread.

Adapter for radiator valves Ondal M38 x 1,5 mm (brass)

[EAN 4260012710595](#)

With this adapter, you can also mount Smart Radiator Thermostats of Bosch with M30x1.5 connection thread to the special valve of your radiator with M38x1.5 connection thread.

Adapter for radiator valves Oventrop M30 x 1,0 mm (plastic)

[EAN 4047976760299](#)

With this adapter, you can also mount Smart Radiator Thermostats of Bosch with M30x1.5 connection thread to the special valve of your radiator with M30x1.0 connection thread.

Adapter for radiator valves Vaillant 30,5 mm (plastic)

[EAN 4047976760282](#)

With this adapter, you can also mount Smart Radiator Thermostats of Bosch with M30x1.5 connection thread to the special valve of your radiator with 30.5 connection thread.

Adapter-set for radiator valves Danfoss RA, RAV, RAVL (plastic)

[EAN 4047976761463](#)

Plastic radiator valve adapter set for Danfoss valves. With this adapter you can also connect Smart Radiator Thermostats of Bosch with M30x1.5 connection thread to the special valve of your radiator with 25.5 / 30.5 / 34 connection thread.

Adapter for radiator valves Vama M28x1,0 (brass)

[EAN 4260012710601](#)

Radiator valve adapter suitable for Vama M 28 x 1.0, made of brass. With this adapter you can also mount Smart Radiator Thermostats of Bosch with M30x1.5 connection thread to the special valve of your radiator with M28x1.0 connection thread.

Adapter for radiator valves Meges M38 x 1,5 mm (brass)

[EAN 4260012710762](#)

With this adapter, you can also mount Smart Radiator Thermostats of Bosch with M30x1.5 connection thread to the special valve of your radiator with M38x1.5 connection thread.

Adapter for radiator valves Danfoss RAVL (brass)

[EAN 4260012710670](#)

With this adapter you can also mount Smart Radiator Thermostats of Bosch with M30x1.5 connection thread to the special valve of your radiator with 26 connection thread.

Adapter radiator valve for Danfoss-RA-adapter, with 4 notches (brass)

[EAN 4260012710557](#)

High quality brass radiator valve adapter. With this adapter, you can also mount Smart Radiator Thermostats of Bosch with M30x1.5 connection thread to the special valve of your radiator with 20 or 23 connection thread.

Adapter radiator valve for Danfoss RAV, 34 mm with 4 notches (brass)

[EAN 4260012710717](#)

High quality brass radiator valve adapter. With this adapter, you can also mount Smart Radiator Thermostats of Bosch with M30x1.5 connection thread to the special valve of your radiator with 34 connection thread.

Adapter radiator valve for Vaillant 30,5 mm (brass)

[EAN 4260012710533](#)

High quality brass radiator valve adapter. With this adapter, you can also mount Smart Radiator Thermostats of Bosch with M30x1.5 connection thread to the special valve of your radiator with 30.5 connection thread.

Adapter radiator valve for Herz M28 x 1,5 (brass)

[EAN 4260012710632](#)

High quality brass radiator valve adapter. With this adapter, you can also mount Smart Radiator Thermostats of Bosch with M30x1.5 connection thread to the special valve of your radiator with M28x1.5 connection thread.

Adapter radiator valve for Comap M28 x 1,5 (brass)

[EAN 4260012710588](#)

High quality brass radiator valve adapter. With this adapter, you can also mount Smart Radiator Thermostats of Bosch with M30x1.5 connection thread to the special valve of your radiator with M28x1.5 connection thread.

Adapter radiator valve for TA M28 x 1,5 (brass)

[EAN 4260012710526](#)

High quality brass radiator valve adapter. With this adapter, you can also mount Smart Radiator Thermostats of Bosch with M30x1.5 connection thread to the special valve of your radiator with M28x1.5 connection thread.

Adapter radiator valve for Giacomini 22,6 mm (brass)

[EAN 4260012710618](#)

High quality brass radiator valve adapter. With this adapter, you can also mount Smart Radiator Thermostats of Bosch with M30x1.5 connection thread to the special valve of your radiator with M28x1.5 connection thread.

Adapter radiator valve for Oventrop M30 x 1,0 (brass)

[EAN 4260012710540](#)

High quality brass radiator valve adapter. With this adapter, you can also mount Smart Radiator Thermostats of Bosch with M30x1.5 connection thread to the special valve of your radiator with M30x1.0 connection thread.

Adapter radiator valve for Markaryd M28 x 1,5 (brass)

[EAN 4260012710779](#)

High quality brass radiator valve adapter. With this adapter, you can also mount Smart Radiator Thermostats of Bosch with M30x1.5 connection thread to the special valve of your radiator with M28x1.5 connection thread.

Adapter radiator valve for Gampper M20 (till 10 mm depth) (brass)

[EAN 4260012710786](#)

High quality brass radiator valve adapter. With this adapter, you can also mount Smart Radiator Thermostats of Bosch with M30x1.5 connection thread to the special valve of your radiator with M20 connection thread.

Adapter radiator valve for Gampper M20 (over 10 mm depth) (brass)

[EAN 4260012710793](#)

High quality brass radiator valve adapter. With this adapter, you can also mount Smart Radiator Thermostats of Bosch with M30x1.5 connection thread to the special valve of your radiator with M20 connection thread.

Adapter radiator valve for Gampper M22 (till 22 mm depth) (brass)

[EAN 4260012710809](#)

High quality brass radiator valve adapter. With this adapter, you can also mount Smart Radiator Thermostats of Bosch with M30x1.5 connection thread to the special valve of your radiator with M22 connection thread.

Angle adapter M30x1,5 (plastic)

[EAN 4026755208160](#)

With this adapter, you can also mount Smart Radiator Thermostats of Bosch with M30x1.5 connection threads on the corner of the integrated valve of your radiator.

Angle adapter Danfoss M30x1,5 on RA

[EAN 5702420045016](#)

With this adapter, you can also mount Smart Radiator Thermostats of Bosch with Danfoss RA adapter over the integrated valve of your radiator with M30x1.5 connection.

Angle adapter Danfoss-RA on RA-Ventil

[EAN 570242045009](#)

This adapter also allows you to mount Smart Radiator Thermostats of Bosch with Danfoss RA adapters over the integrated valve of your radiator with Danfoss RA connection.

Antitheft for Smart Radiator Thermostats (Homematic)

[EAN 4047976030125](#)

Prevents unauthorized unscrewing of Smart Radiator Thermostats. Ideal for government agencies and public institutions.
